Most of which we source from our fabulous state of South Australia. All hot food options are prepared and cooked fresh instore by our very own chefs.

We display all our food on wooden boards or ceramic plates for cleanliness and to avoid any cross contamination. Also providing guests with clear vision of all the delicious foods on offer.

The space surrounding the boards & platters are then filled with Breads, Pizza, Greenery & Florals.

We also include with all tables; tongs, spoons, knives & platter stands.

Food signage can also be requested.
